

White City Community Plant Swap

Come join us for this FREE event for plant lovers and garden enthusiasts alike! It's that time of year again when we share our plants and produce with our neighbors! All plant types are welcome! Please share your indoor plants, edible plants, produce, exotic plants, native species and seeds for all to enjoy!

YOU DO NOT NEED TO BRING PLANTS TO GET PLANTS!

The event date is September 18th, 2021 from 9:00am– 1:00pm and will be held at the pavilion at Big Bear Park in White City. Tables will have labels for the different types of plant categories and a potting station with free potting soil will be provided for those with bare root plants. We will also be providing a sanitation station with hand sanitizer, sanitizing sprays and wipes.

The swap will have a panel of expert guests to answer all of your gardening and landscaping questions!

Rules for the plant swap:

1. Bring plants, if you have extra plants (no worries if you don't have any), and share them!
2. All unclaimed plants are free for the taking, but please don't be greedy.
3. Absolutely NO SELLING plants!
4. Have fun!

The plant swap has a Facebook page called "White City Community Plant Swap" and can be found at this address <https://www.facebook.com/groups/478179426288883/> or the QR Code below.
